### **Workshop:**

**Teaching Children with Autism using the Principles of Applied Behaviour Analysis and Verbal Behaviour**

**Presented by Jennifer Donnelly, BCaBA and Diane Sardi, BcaBA, Toronto, Canada.**

[Designed for parents, professionals and teachers](#)

Participants will learn how to use the principles of Applied Behaviour Analysis and Skinner's Analysis of Verbal Behaviour to effectively teach children with Autism Spectrum Disorders. The following will be discussed:

#### **Two-Day Workshop**

- A basic review of the theory including the difference between IBI/ABA, as well as the basic principles of ABA/VB
- Teaching and Behavioural Procedures
- Practical application of pairing with reinforcement, mands, tacts, intraverbals, etc
- Overview and practice on how to use the Assessment of Basic Language and Learning Skills by Dr. Sundberg and Dr. Partington (ABLLS)
- Included will be video examples, modeling, role play and simple homework assignments

### **Lecturers :**

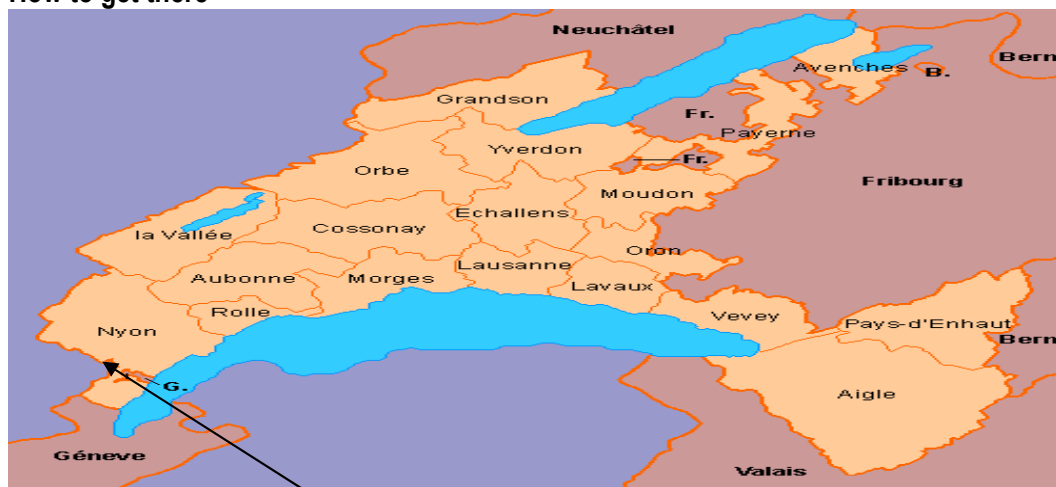

**Diane Sardi** holds a Bachelors Degree in Psychology specializing in behavioral and social psychology. She is a Board Certified Associate Behavior Analyst and has been working with children with autism for 9 years. Currently, Diane is employed at Shining Through in Toronto, Canada and also maintains a small private practice working with families, child care centers and schools. Diane has received training through Dr Vince Carbone in the application of Skinner's analysis of Verbal Behavior and has attended a number of courses, including the prerequisite ABA course leading to certification. Diane has developed and is also co-presenter of a 5 week comprehensive parent training course in ABA/IBI using the analysis of Verbal behavior as well as a 3 week course in using sign language to facilitate language acquisition.

**Jennifer Donnelly** earned her Bachelor of Arts Degree in Psychology from Brock University. She has worked with children with autism for the last six years utilizing the principles of Applied Behaviour Analysis, with a special emphasis on Verbal Behaviour for the last three. She has experience working with a wide range of learners. Currently Jennifer works for Shining Through in Toronto, Canada as a Supervisor Senior Therapist with the Intensive Behavioural Intervention Program where her responsibilities include training and supervision of staff and programming for children with autism. Additionally, she has developed and presented courses and workshops for schools, parent groups, and professional organizations in Canada, France and Switzerland. She has completed her clinical course work under Dr. Vince Carbone and has become a Board Certified Associate Behaviour Analyst. Jennifer has received consultation from Dr. Mark Sundberg, Holly Kibbe and Tammy Kasper. Additionally, she has attended various training sessions by Dr. Carbone, Mark Sundberg, Jim Partington, Holly Kibbe and Cherish Twigg.
